5th Annual celebrations and Convocation of Yoga Samskrutham University, Florida USA

As part of annual celebrations, JKR Astro Research Foundation, Hyderabad had organised national astrological seminar on 28th August 2016, at the prestigious Ravindra Bharati auditorium, Hyderabad. It was an event organised on a grand scale, covered extensively by print and electronic media, and astro enthusiasts in excess of thousand people, participated in the seminar. The seminar was inaugurated by DR.R.V.Chandravadan, IAS, GOVERNMENT OF TELENGANA, Dr. BVK Sastry, Chancellor of Yoga Samskrutham university, State of Florida, USA and Dr.C.V.R. Murthy, Director, IIT, Jodhpur were the guests of honour who added grace to the event by their distinguished presence and intellectually stimulating lectures on role of astrology in societal development.

Before the actual seminar started leading lights of astro domain were duly honored. The honour list included scholars from Delhi, Ahmedabad, Chennai, Bangalore. For the first time, a new initiative was taken up by the foundation to receive recommendations from local forum to recognise and honour distinguished astrologers who had contributed to needs of local community over the years and generation. When the seminar started, people were treated to inspiring and thought provoking presentation by eminent scholars. Dr. R.Vijayalakshmi, initiated the proceedings with a very informative presentation on Nakshatra Siddhanta. This was followed by a thrilling lecture by Dr.K.S Charak on abdominal disorders and their relationship to planetary positions in a native's chart. It was thrilling because, the good Doctor could relate his findings to astrological concepts that could help doctors to conduct clinical management of body disorders taking right in puts from astrologers.

Prof. Andrew Dutta was ready to reveal long held family secrets to shoot down many myths in use of gems to solve personal problems using astrology inspired gem therapy. His talk was well appreciated by many. Sri P.Sridhar from Chennai gave a delightful presentation on leadership

aspects using Abraham Lincoln as a model to highlight different ways of handling pressures.

Dr Ravi Rao from Ahmedabad presented Mundane astrology as new area for research and development for astrological application in developing international relationships.

Dr. C V Subramanyam unraveled mysteries behind Ashtakavarga concepts in prediction. Dr. Kashyap Prabhakar talked about doshas. Dr. NVRA Raja the Chief architect of this Seminar summed up the entire proceedings in a short speech and given glimpse of importance of Lagnas. During the day, a new set of books were released to enrich astro literature, with books in tamil, telugu and kannada languages. Nakshatra Siddhantham-Collection of Pearls written by Dr. NVRA Raja and Dr. R Vijayalakshmi was release and the first copy of this book was presented Prof. Andrew Dutta. Special thanks were conveyed to Prof Andrew Dutta for publishing these thought provoking articles written by Dr. Raja and Dr. R Vijayalakshmi. In tune with technology based knowledge needs of new generation, Students of academy had developed a Android based software for use in cell phones for astrological applications. It was very heartening to learn that proceedings of advt revenue received by the developers would be transferred to the JKR Foundation for promoting further research. Tributes were paid by all scholars to the Distinguished Guruji Sri N V.Raghava chary(Meena2), for his pioneering work in applying stellar astrology for improved prediction quality The chairman of JKR Astro Research Foundation reiterated his commitment to promote awareness about Stellar astrology and carrying Naadi secrets to every astrologer.

The same evening we had in Hyderabad, India, the first ever convocation in India of Yoga-Samskrutham university, Florida, USA, with whom JKR have an affiliation to promote our Vedic culture, Astrology and Samskruti. The event saw 36 Indian scholars receiving their Degree of Doctor of Philosophy from the hands of distinguished chancellor of Yoga-Samskrutham University. In this convocation Justice L Narasimha Reddy Garu, former Chief Justice Patna High Court delivered his Key note address. Prof. V. Shiv Kumar for Vice Chancellor of Goa University also participated. Sri KS, Karvendan Ex-MP, and Member NBCC , Government of India has also participated and delivered his message to scholars. It was a glittering ceremony and very proud moment for our foundation that had organised the entire show. The success was only due to

tireless and dedicated efforts of our students. Our associated affiliate institutions from Bangalore, Delhi, and Ahmedabad were very much impressed.

The two events were important milestones in our history as it brought our activity to the notice of all India audience. Ten of our students got their PhD, testimony to our capacity to lead and guide students for research apart from imparting basic knowledge.

We are very happy to inform you that 20 more students have registered with us for PhD programme for the year 2017 and topics of research are more exciting and purposeful.
